**Call to Order**

President Kim Carpenter, opened the meeting with all council members present. President Carpenter was joined by Clerk Treasurer Michelle Cash.

President Carpenter opened the meeting to discuss part time help for the park. President Carpenter expressed the complaints that she received on the work being done by the current park maintenance employee on the ball diamonds from coaches along with others that the diamonds were not being done to satisfaction. Ms. Cohee said she had received complaints as well to the quality of work being done on the diamonds.

Clerk Cash said due to the current complaints that she was confident that the employee would quit so they could find someone else to provide a better service. Clerk Cash would go explain to the employee and let the council know.

President Carpenter turned the meeting over to Vice President Nicole Parker. President Carpenter had to leave. Mrs. Suiter went on to say "How do we find someone to take his place? Those who are complaining should have to work the diamonds to see how bad they are, then maybe they wouldn't be complaining.
